Subject: Stop APS and TEP from monopolizing solar: TEP: E-01933A-14-0248 APS: E-01345A-13-0140

Dear Commissioner Utility Division,

Please reject APS and TEP's attempts to monopolize solar power. These proposals would make ratepayers pay millions for a resource that is already provided through the free market.

Don't let APS raise our rates and undercut the solar industry Arizona has worked so hard to build.
